## MEMORANDUM

TO: CITY COUNCIL MEMBERS  
FROM: BOB DINSE *Bob*  
DATE: MARCH 18, 1993  
SUBJECT: AGGREGATE BID

The application of the purchase of aggregates by the Street Department will be for making various mixes of asphalt needed for paving streets, patching of streets, and overall maintenance of city streets. It will also be used for chip and sealing of streets, unimproved alley maintenance, pavement shoulder and berm maintenance, reinforcing and reconstructing pavement sub base failure when required and uses in drainage work and erosion control.

## DIGEST SHEET

TITLE OF ORDINANCE: Special

DEPARTMENT REQUESTING ORDINANCE: Purchasing

SYNOPSIS OF ORDINANCE: An ordinance approving the extension of Ref. No. 6014 for the purchase of aggregates (picked-up) for various departments for 1994. This was originally bid in February of 1993 and was passed through Council on Special Ordinance No. S-30-93.

IF NOT LOWEST, WHO WAS AND WHY WERE THEY NOT AWARDED:

These aggregates were awarded to the low vendor except for the Street Department and Park Department materials. Under the bid specifications the language states:

"When determining low bid for pick-up price, distance from City agency to quarry and any additional labor time involved will be factored in to overall cost".

Both the Street Department and Park Department believe it will be more cost effective to pick-up the aggregates at a closer vendor location and pay a little more for the product.

EFFECT OF PASSAGE: These materials are used in the maintenance of streets, sewers, mains, etc.

IF REPLACEMENT, WHAT NECESSITATES:

EFFECT ON NON-PASSAGE: Would not be able to maintain streets, sewers, mains, etc.
